F O R E W O R D

This publication gives the names of business firms, local government units, and various organizations that appeared as subscribers in the Canton City Telephone Directory, 1953, published by Postal and Telegraph Section, Canton Communications Bureau in January 1953. Personal names are not included in this report.

The organization of the source document has been retained, i.e., it is divided into three parts: Main Part; Supplement; and Special Part.

The subscribers are arranged according to the total number of strokes in the first Chinese character in the group of characters which comprise the name of the subscriber. The information is presented in three vertical columns which give the name of the subscriber, the telephone number, and the address, in that order.
